From the creators of the groundbreaking film, *THE ANONYMOUS PEOPLE*, comes *GENERATION FOUND* a powerful story about one community coming together to ignite a youth addiction recovery revolution in their hometown.

Devastated by an epidemic of addiction, Houston faced the reality of burying and locking up its young people at an alarming rate. And so in one of the largest cities in America, visionary counselors, law school dropouts, aspiring rock musicians, retired football players, oil industry executives, and church leaders came together to build the world's largest peer-driven youth & family recovery community.
