PRESS RELEASE

**Domestic Homicide in East Fallowfield - -
Defendant Posted Comments On Facebook Day Before Murder**

Chester County District Attorney Tom Hogan announced the arrest of Gregory Twyman (44 years old) for the murder of Jamica Woods (37 years old), his long-time girlfriend. The defendant shot and killed the victim at her residence, located at 22 Rokeby Road, East Fallowfield Township, Chester County, Pennsylvania. The defendant and the victim have a daughter together.

District Attorney Hogan stated, "This was a premeditated and cruel murder. This was not an argument, this was an execution."

East Fallowfield Township Police Chief Chris Porter, one of the first officers to respond to the scene, stated, "East Fallowfield is a safe community and this homicide took place in a quiet part of the Township. East Fallowfield police officers and the Chester County Detectives responded quickly and professionally to arrest this defendant and get him out of our community."

The defendant was born on January 30, 1969. His last listed address was 22 Rokeby Road, the location of the murder.

The allegations of the criminal complaint are as follows:¹

At approximately 12:10 p.m. on May 21, 2013, the defendant called 911 to report that he had just shot his girlfriend with a shotgun. Police responded to the scene at 22 Rokeby Road. The defendant was on the porch, smoking a cigarette. He was taken into custody by the police.

Police discovered Jamica Woods inside the residence, dead from multiple gunshot wounds. The victim was the defendant's long-time girlfriend. Both the defendant and the victim resided at 22 Rokeby Road. The shotgun used by the defendant was located at the residence. The shotgun was a single shot shotgun, which means that it must be reloaded to fire more than one time.

Police preserved the 911 call from the defendant. Police also discovered that the day before the murder, the defendant had changed his Facebook profile picture to a shotgun shell, with a shotgun as the background. In response to comments posted, the defendant stated that the picture was "a slug fool," that it was "gon be too late" if law enforcement tried to intervene, and "Once i handle my business i don't give a fuck!"

The defendant has been charged with murder. Because of the nature of the charges, no bail has been set. The defendant was remanded to Chester County Prison.

District Attorney Hogan added, "This is another example of domestic violence accelerating into a murder. A mother is dead and a child has been left an orphan. We will pursue justice for the victim's family."

The East Fallowfield Police Department and the Chester County Detectives are investigating this case. Anybody with information should call East Fallowfield Police Officer Samantha Harper at (610) 384-9163 or Chester County Detective Butch Dutter at (610) 692-5100. Deputy District Attorney Michelle Frei has been assigned to prosecute this case.
