To: Magisterial District Judge Theodore Michaels

Introduction

On December 23, 2014, Internal Audit completed an audit of Magisterial District Court 15-2-01 (*District Court*). Christian J. Kriza was the auditor-in-charge. Internal Audit is required by County Code to review district courts annually to ensure compliance with policies and procedures mandated by the Administrative Office of Pennsylvania Courts and/or District Justice Administration and to assess their overall internal control structure. The scope of our audit included a review of the following:

- Cash and Petty Cash
- Undisbursed Funds
- Cash Receipts
- Manual Receipts
- Cash Disbursements
- Voided Transactions
- Escheats/Stale Dated Checks

We conducted our audit in accordance with generally accepted auditing standards and standards applicable to financial audits contained in *Government Auditing Standards* published by the Comptroller of the United States. We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters concurrent with this management letter. Disclosures and other information in that Report (also dated December 23, 2014) should be considered in conjunction with this Management Letter.

Executive Summary

The management and staff of the *District Court* are, in all material respects, in compliance with policies and procedures set forth by the Administrative Office of Pennsylvania Courts and directives imposed by District Justice Administration. Internal Audit noted no significant deficiencies or material weaknesses in the overall internal control structure.

Internal Audit did, however, note a matter of a lesser significance involving internal controls and compliance with policies and procedures. This matter has been included within this management letter. Based on Internal Audit's testing and observations, it is our opinion that these deficiencies are not the result of negligence or deliberate misconduct, but are instead the consequence of one or more of the following:

- Oversight
- Human error

We want to thank the management and staff of the *District Court* for their cooperation and assistance during the course of this audit. We have provided herein a copy of our "Audit Findings and Recommendations" for your review and comment.

Please feel free to contact our office at (610) 344-5906 should you have any questions or concerns.
