To: Magisterial District Judge Marian T. Vito

Introduction

On June 20, 2017, Internal Audit completed an audit of Magisterial District Court 15-1-04 (*District Court*) for the year ended December 31, 2016. Carissa M. Petrelia was the auditor-in-charge. Internal Audit is required by County Code to review district courts annually to ensure compliance with policies and procedures mandated by the Administrative Office of Pennsylvania Courts and/or District Justice Administration and to assess their overall internal control structure. The scope of our audit included a review of the following:

- Cash and Petty Cash
- Undisbursed Funds
- Cash Receipts
- Manual Receipts
- Cash Disbursements
- Voided Transactions
- Escheats/Stale Dated Checks

We conducted our audit in accordance with generally accepted auditing standards and standards applicable to financial audits contained in *Government Auditing Standards* published by the Comptroller of the United States. We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters concurrent with this management letter. Disclosures and other information in that Report (also dated June 20, 2017) should be considered in conjunction with this Management Letter.

Executive Summary

For the year ended December 31, 2016, Internal Audit has determined that the *District Court's* system of internal controls is adequately *designed, in-place* and *operative*. The results of this audit indicate that, in all material respects:

- Assets are properly safeguarded from employee theft, robbery and unauthorized use
- Responsibility / Authority is established and assigned to specific individuals
- Duties (specifically authorization, custody and recordkeeping) are properly segregated
- Documents are available to provide evidence that transactions and events have occurred
- Transactions and events are properly recorded in a timely manner
- Reconciliations of internal records with bank statements occur monthly.

In addition, the *District Court* was found to be in compliance with policies and procedures mandated by the County of Chester and the Administrative Office of Pennsylvania Courts except as outlined on the pages that follow. ***Audit Findings*** and ***Recommendations*** are provided herein for your review, comment and corrective action. The courtesy of a response is requested by **June 26, 2017**, otherwise in accordance with Internal Audit Policy, the absence of a response by the due date will be inferred as management's acceptance of the finding(s) and recommendation(s).

We thank the management and staff of the *District Court* for their cooperation and assistance during the course of this review. Please feel free to contact our office at (610) 344-6064 should you have any questions or concerns or if you wish to schedule an exit conference. SUMMARY OF FINDINGS AND RECOMMENDATIONS

FOR THE YEAR ENDED DECEMBER 31, 2016

Cash and Petty Cash

Cash is reconciled and cash adjustments are reviewed at 100%. Petty cash is counted during the course of the on-site fieldwork.

Finding 1: Cash Adjustments

- For the third year in a row, a cash adjustment error reported during the 2013 audit has not been properly corrected.
- In one (1) instance, the District Court erroneously recorded a non-sufficient funds (NSF) check as a debit adjustment when the transaction should have been processed as a deposit adjustment.
- In one (1) instance, the District Court processed a deposit adjustment for the incorrect amount. In order to reconcile for month end the District Court had to process a credit adjustment, which in turn left the credit adjustment not having the proper offsetting debit adjustment.

Cause

Inadequate training and lack of follow up on prior year findings.

Recommendation

Internal Audit recommends that the *District Court* take greater care when processing cash adjustments to ensure that deposit adjustments are processed for all NSF check transactions. Debit adjustments need to have corresponding credit adjustments and vice versa.

It is further recommended that *District Court* management work with District Justice Administration to resolve the existing out of balance condition on the books.

Auditee Response

District Court Management concurs with the findings and recommendations.
