

# Join Chester County Employees to Clean-up our Grounds and Enhance Local Creeks!

At this **Go Green Chesco** event, volunteer alongside other employees to improve the water quality of local creeks. Our parking lots and grounds where we work are directly connected to a nearby creek. By picking up litter, you will directly enhance water quality and stream habitats in Chester County!

Gloves and bags will be supplied. Wear a long-sleeved shirt, long pants and old shoes or boots that can get dirty (and muddy for those willing).

County of Chester Employees who Volunteer for the Clean-up can earn  
**1 WELLNESS PUZZLE PIECE + 10 WELLNESS INCENTIVE POINTS!**

Pre-registration required through the HR Wellness Program. Specify location desired.

## Go Green Chesco Stream & Grounds Clean-Up Tuesday, April 3, 2018 (Rain Date April 5)

Please check your email the day prior to the Clean-Up to find out whether the event will take place as scheduled.

### Location: GSC

3:15 pm to End of Work Day

Meet at the side entrance of the GSC (right side of the building by the Clinic). Co-sponsored by the Chester County Water Resources Authority and Chester County Department of Facilities and Parks.

### Location: Willowdale

3:00 pm to End of Work Day

Meet in the grass courtyard of the Willowdale Town Center, 688 Unionville Road, Kennett Square. Co-sponsored by the Chester County Conservation District.

### Location: Chester County Library at Exton - **NEW!**

4:00 pm to 5:30 pm (flexible start time)

Meet by the picnic tables along the back/staff parking lot.  
Co-Sponsored by the Chester County Library at Exton.

**STORMWATER TIP:**  
Don't put oil or trash in  
storm drains — storm  
drains empty into streams!
