### **Introduction**

On December 21, 2017, Internal Audit completed an audit of Magisterial District Court 15-3-04 (*District Court*) for the year ended December 31, 2016. Austin F. Kelly was the auditor-in-charge. Internal Audit is required by County Code to review district courts annually to ensure compliance with policies and procedures mandated by the Administrative Office of Pennsylvania Courts and/or District Justice Administration and to assess their overall internal control structure. The scope of our audit included a review of the following:

- Cash and Petty Cash
- Undisbursed Funds
- Cash Receipts
- Manual Receipts
- Cash Disbursements
- Voided Transactions
- Escheats/Stale Dated Checks

We conducted our audit in accordance with generally accepted auditing standards and standards applicable to financial audits contained in *Government Auditing Standards* published by the Comptroller of the United States. We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters concurrent with this management letter. Disclosures and other information in that Report (also dated December 21, 2017) should be considered in conjunction with this Management Letter.

### **Executive Summary**

For the year ended December 31, 2016, Internal Audit has determined that the *District Court's* system of internal controls is adequately *designed, in-place* and *operative*. The results of this audit indicate that, in all material respects:

- Assets are properly safeguarded from employee theft, robbery and unauthorized use
- Responsibility / Authority is established and assigned to specific individuals
- Duties (specifically authorization, custody and recordkeeping) are properly segregated
- Documents are available to provide evidence that transactions and events have occurred
- Transactions and events are properly recorded in a timely manner
- Reconciliations of internal records with bank statements occur monthly

In addition, the *District Court* was found to be in compliance with policies and procedures mandated by the County of Chester and the Administrative Office of Pennsylvania Courts except as outlined on the pages that follow. ***Audit Findings*** and ***Recommendations*** are provided herein for your review, comment and corrective action. The courtesy of a response is requested by January 3, 2017, otherwise in accordance with Internal Audit Policy, the absence of a response by the due date will be inferred as management's acceptance of the finding(s) and recommendation(s)

We thank the management and staff of the *District Court* for their cooperation and assistance during the course of this review. Please feel free to contact our office at (610) 344-6797 should you have any questions or concerns or if you wish to schedule an exit conference. An exit conference is held at the request of the auditee to discuss specific concerns that were not resolved during the closing conference.

A final copy of this management letter and the corresponding Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters will be transmitted electronically to your attention upon receipt of your responses. In addition, since audit reports are a matter of public record, your final report and management letter will be posted on the Controller's webpage within one week of issuance.

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

**FOR THE YEAR ENDED DECEMBER 31, 2016**

**Escheat/Stale Dated Checks**

Escheats were reviewed at 100% for timeliness. In addition, 10 out of a population of 19 escheated items were tested for compliance with escheat/stale dated check procedures.

Finding 2: Escheats

For the third year in a row, outstanding checks were not escheated properly.

Internal Audit noted that ten (10) outstanding checks were not escheated within 6 months of their issuance date. According to the Uniform Commercial Code, (a standard set of business laws adopted by most states), a bank should not accept a check more than 6 months old. Internal Audit has adopted this financial gauge for Chester County audit purposes; however individual departments should continue to follow their own policies and procedures for escheatment if less than 180 days.

Cause

Oversight

Recommendation

Internal Audit recommends that the *District Court* staff adhere to stale-dated check procedures mandated by the AOPC and by District Justice Administration and that under no circumstances should a check remain outstanding for a period of time greater than 180 days.

Auditee Response

*District Court Administration concurs with the findings and recommendations.*
