## **Chester County Library Story Event Honors Farmers**

**EXTON, PA**—The Chester County Ag Council celebrated National Ag Day (March 14) with a special farm-friendly storytime at the Chester County Library yesterday.

Chester County's own Little Miss Agriculture USA Queen Ellie Harrop and her farmer-mom Melissa Harrop from Meadow Creek Livestock (Chester Springs) read "Right This Very Minute," a farm-to-table book chosen by the PA Friends of Agriculture Foundation to help children appreciate where their favorite foods come from. The pair also talked to families in attendance about what living on a farm is like and the important role farmers play in the food system.

National Ag Day recognizes and celebrates the abundance provided by American agriculture. Every spring, producers, agricultural associations, corporations, universities, government agencies and others across the country join together in recognition—and appreciation—of agriculture in our country.
