

CORONAVIRUS COVID-19

CHESTER COUNTY HEALTH DEPARTMENT

BE INFORMED

LEARN THE FACTS, SHARE THE FACTS, STOP THE FEAR

TESTING FOR CORONAVIRUS

Testing for COVID-19 is based on assessment by a healthcare provider. We are actively working on acquiring resources for additional testing.

If you feel sick, please stay home and continue to monitor your symptoms.

If you have **mild to moderate symptoms**, please call your healthcare provider to discuss whether you need to be seen. Tell them if you have been exposed to COVID-19.

You can complete an **exposure report** on our website. You will receive additional guidance about symptom monitoring, quarantine, and isolation.

FEVER

COUGH

SHORTNESS OF BREATH

If you are experiencing **significant symptoms** or a **medical emergency**, contact your physician or call 9-1-1. Call ahead to the emergency department or tell the 911 operator about your symptoms and any COVID-19 exposure.

Significant Symptoms include:

- Severe shortness of breath
- Persistent pain or pressure in the chest
- New confusion or inability to arouse
- Bluish lips or face

Continue to practice prevention:

WASH HANDS
OFTEN

DISINFECT
SURFACES

SOCIAL
DISTANCING

If you are sick, stay home until:

No fever for at least 72 hours without medicine
AND
other symptoms have improved
AND
at least 7 days have passed since your symptoms first appeared
